- City of La Mesa Field Allocation - The City of La Mesa council meeting went very well. We had several Navajo families show up and speak on behalf of the league. Our comments were well received and the City Council members mentioned sponsoring the league to ensure that we get field use preference despite the drafted policy.
- Spring Scheduling - Still working to get practice preferences from the managers. After this information is collected, we will look to distribute a schedule as soon as possible.

- SUP Update- Two weeks Dennis and Jason had a call with City of San Diego staff to check on the status of the Standard Use Permit. The only update that they were able to provide was that the drafted SUP was now with the City Attorney. On the same call, there was discussion about the difference between repairs and improvements. The improvements have to be ADA compliant. We also need to draft our own permit form when we sublease out the fields.
- Insurance - We will need to get some additional insurance to cover projects and liability for work and construction on the site.
- New Conex/Mower - We will need to have this in place as soon as the SUP is approved and signed. The City is open to a grace period for field maintenance until equipment is purchased.
- Field 3/4 update - The City is reluctant to make a decision about field 3 and 4 use. They would like us to work out field use with San Carlos Little League. We believe that the SCLL PUP is expired, so the City should be the point of contact for field use. Jason made a proposal to SCLL regarding field 3 and 4 use - he proposed that Navajo have sole use of field 4 and SCLL have field 3.

Jason had no luck with his request to use field 3 or 4 for evaluations but plans to reach back out to SCLL to see if they have any other field available for use..

A private training facility called "The Clubhouse" is hosting an open house for Navajo Navajo open house on Sunday, February 1st. This is a free event.

<p>Field Director:</p> <p>January 17th field maintenance day for Seau Fields is pending based on volunteer help. Some key volunteers got into a tournament that conflicted with this date. The plan is to address depressions in the batting area and pitching lane by adding clay bricks. The board approved outsourcing locking fields and other duties at the Seau Fields. This is a 6 day a week role and would make hired staff responsible instead of coach/managers at the field.</p> <p>There was a motion and a unanimous vote to approve the purchase of a replacement tarp at \$4K. Jason to get an updated quote for replacement prior to purchase.</p> <p>Lake One – Lake Two – Rebuilt backstop. More damage was found on the L2 tarp North Seau – Address depressions in pitching lane and batters box 01/17/26 South Seau – Dug out shades need to be re-attached Conex and shed status – Light installed at Seau Field shed</p>	<p>Josh Godwin</p>
<p>Clinics and Coach Development:</p> <ol style="list-style-type: none"> Coaches Clinic and Manager/Coach/Board Member Softball Game + BBQ <ul style="list-style-type: none"> Mata Athletics confirmed. (2) sessions back to back (9am and 10am) Softball game and BBQ being coordinated T-Shirts not yet ordered - \$1500 just for managers already purchased. 	<p>Jessica Vasquez Present</p>
<p>Events:</p> <ul style="list-style-type: none"> Events Calendar: Here's our proposed event schedule for the 2026 Spring Season (see PDF attached that I created) Opening Day: We expect the same flow as last year, but even smoother as this is our second rodeo! :) We are working on permits + vendors. Amy will be working to recognize alumni of Navajo. New budget requests: 1) Pins for Alumni, 2) Balloon Arch for Parade, 3) Photographer for branded photos for the website/social/team Picture Day: We have 2 options <ul style="list-style-type: none"> Stick with Kamie Ledbetter (She's no longer part of Splash), similar process as last year: facial recognition, digital delivery + orders, she's local/flexible and only working with SCLL this season. Pricing is about \$10/ per player with team photo + button included. She's an individual photographer so would select many date options including M-F, use a SignUp Genius form for managers to select their preferred time slot. Local + friendly. We know what we're going to get. Try out Pine Valley Studios. They are \$6/per player with a "package" provided. More traditional, old-school paper forms, could knock it all out on Feb 14 with a makeup day with one tent for Feb 21. Likely more rigid as they work with 100+ teams, including Santee, San Dieguito + East 	<p>Becky Launder Present</p> <p>Nicole Hallaran Present</p>
